WELCOME TO MINNEAPOLIS

The International Stage for Medical, Critical, and Advanced Manufacturing Excellence

Minnesota is an engineering and manufacturing powerhouse across multiple industry sectors and boasts over 325,000 manufacturing professionals. Coupled with its deep talent pool and healthy start-up ecosystem, the North Star State is the ideal location for an advanced manufacturing event of this scope and size.

With its strategic location, thriving network of suppliers, and its vibrant business climate, there's no better place to collaborate on the future of advanced manufacturing than at **MD&M Midwest**.

When you exhibit at MD&M Midwest, you're exhibiting in one of the largest markets for manufacturing professionals in the world. Minnesota ranks:

In Implantable Medical Device Patents, Total and per 1 Million People in the US

In Cardiac Therapy Related Patents, total and per 1 million people in the US

ABOUT MD&M MIDWEST

MD&M MIDWEST is the industry-leading meeting place for the entire medical, critical and advanced manufacturing ecosystem.

Through our 5 industry sectors of MedTech, Automation, Design & Manufacturing, Packaging, and Plastics, we provide unparalleled opportunities to connect with engineers, executives, and buyers from a wide range of industries seeking innovative solutions.

Join us in Minneapolis as MD&M Midwest celebrates 30 years of manufacturing excellence. As one of the world's largest and most influential B2B advanced manufacturing events, we honor the past while driving innovation, connection, and learning for the future.

Top Industries MD&M Midwest Attracts:

- Medical Devices
- Pharmaceuticals
- General Hospital
- Drug Delivery/Combination Products
- General & Plastic Surgery
- Dental
- Biologics

- Chemical
- Food and Agriculture
- Aerospace
- Automotive
- Space Tech
- Defense

- Consumer Products
- Electronics
- Logistics—Automation & Warehousing
- Food and Beverage
- Industrial Equipment And Machinery

The **MedTech Industry Sector** of **MD&M Midwest** is the premier meeting ground for elite MedTech companies from the Midwest and beyond. Over two days, the most innovative components, tools, and cutting-edge technologies that shape life-saving medical devices come together under one roof. Forge valuable face-to-face connections with industry leaders and engineers driving global medical solutions.

It's (Adv. Manufacturing Minn.) a really good opportunity to connect with a lot of people in the industry and also a great opportunity to connect/ have conversations with customers and potential customers.

- Corporate Communications Manager, Cretex Medical

Top 10 Attendee Areas of Interest For MedTech Industry Sector:

- Cardiovascular
- Components
- Contract Manufacturing
- 3D Printing
- Automation/Assembly
- Manufacturing Equipment
- R&D/Design/Engineering Services
- Injection Molding
- Biotechnology
- Materials: Plastics, Elastomers, Metals, Adhesives

Top Attending Companies:

The **Automation Industry Sector** of MD&M Midwest pairs design, manufacturing, plastics, and packaging challenges with smart solutions in a setting that fosters interaction and inspiration. Hundreds of Buyers, C-Suite Executives, and Engineers will be looking to increase efficiency and reduce time, waste, and cost. Exhibit your innovations and solutions to hundreds of motivated buyers who will be looking to drive the automation industry forward.

“ You get people who want to be here, who want to see the latest technology and we get a great opportunity to showcase that. There are a lot of unfound customers that you can find here.

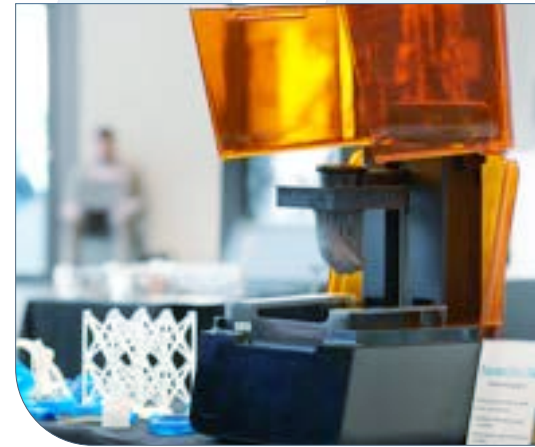

*– Senior Marketing Manager,
Mechatronic Solutions*

Top 10 Attendee Areas of Interest For Automation Industry Sector:

- Automation/Assembly
- Robotics
- Manufacturing Equipment
- 3D Printing/Additive Manufacturing/Rapid Prototyping
- Business Services
- Components
- Artificial Intelligence/Machine Learning
- Electronic/Electrical Components
- Education/Training
- Controllers (including PLCs/ PACs/PC-based)

Top Attending Companies:

The **Design and Manufacturing Industry Sector** of MD&M Midwest focuses on the future of design by providing solutions for a wide range of industries including IT/ computer, building & construction, appliances, sporting goods/toys, telecom and aerospace. Manufacturing practitioners attend to look for innovations that will help them cut costs and improve production.

It was a very good show this year. It was as busy as I've ever seen it!

– Product Support Engineer,
IPG Photonics

Top 10 Attendee Areas of Interest For The Design and Manufacturing Industry Sector:

- 3D Printing/Additive Manufacturing/
Rapid Prototyping
- Manufacturing Equipment
- Automation/Assembly
- Machining/Precision Machining
- Business Services
- Contract Manufacturing
- CAD/CAM/CAE Software & Services
- R&D/Design/Engineering Services
- Components
- Injection Molding

Top Attending Companies:

The **MD&M Midwest's Packaging Sector** is the ideal place to connect with the packaging community in Minneapolis. Meet CEOs, managers, engineers, and decision-makers within the packaging industry who are actively looking for the latest...and much more.

Great place to catch up on broad industry developments, learn about new manufacturing and prototyping technologies, and meet people who are both directly and indirectly involved in your business process.

*- R&D Engineer,
Nextern*

Top 10 Attendee Areas of Interest For The Packaging Industry Sector:

- Packaging Equipment/Machinery
- Packaging Design
- 3D Printing/Additive Manufacturing/ Rapid Prototyping
- Automation Components/Sensors
- Packaging Services
- Robotics
- Education/Training
- R&D
- Case Packing/Sealing
- Business Services

Top Attending Companies:

MD&M Midwest's Plastics Sector is renowned as one of the premier B2B Plastics manufacturing hubs in North America. Meet CEOs, managers, engineers, and decision-makers within the plastics community who are actively looking for the latest biocompatible polymers, cutting edge large-scale injection molding solutions, food & beverage, and much more.

Not only are we finding suppliers here but we're also finding customers. There are competitors here and a very wide variety of people to network with.

- Vice President Sales and Business Development, Prism Plastics Inc.

Top 10 Attendee Areas of Interest For The Plastics Industry Sector:

- Injection Molding
